Global tender for ethylene shortage system

1334. SHRI K. R. MALKANI: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) whether it is a fact that the Indian petrochemicals Corporation Limited floated a global tender for an ethylene storage system for its Gandhar gas cracker unit in Gujarat;

(b) whether the Hyundai Corporation of South Korea made the lowest and economical bid;

(c) whether the bid was not accepted; and if so, the reasons therefor; and

(d) what are the reasons for calling fresh tenders inviting the bidders; including Hyundai, to revise their quotation?

THE MINISTER OF STATE FOR CHEMICALS AND FERTILISERS (SHRI EDUARDO FALEIRO): (a) and (b) Yes, Sir.

(c) and (d) The Indian Petrochemicals Corporations Limited (IPCL) has informed that after the opening of the bids, M/S Hyundai Corporation who were the lowest bidders, informed them that there were some serious calculation mistakes at their end. which led to omission of some important items of work. M/s Hyundai Corporation, therefore, wanted to renegotiate the price quoted in their original bid. In this background revised quotations were called from M/s Hyundai Corporation as well as from M|s Motherwell, the second lowest bidder. As per the procedure decided by the IPCL management, M/s Hyundai were first asked whether they would undertake the job at the original quoted price. On their expressing their inability to do so, the revised quotation of the second best bidder was opened and was accepted with the discount offered by the party.

गुजरात में पर्यटन का विकास

1335. श्री गोपाल सिंह जी० सोलंकी :

क्या नागर विमानन और पर्यटन मंत्री यह बताने की कृपा करेंगे कि :
